Dear Mrs. Manley:

I wrote you last Thursday asking if you would be interested in another game at East Orange for Saturday, September 2nd. So far I have not heard from you.

May also be able to arrange a game for you in Dover, New Jersey for Tuesday, September 8th, terms 55% of the gross gate receipts no guarantee with a \$25.00 rain guarantee. Must know Monday morning about these two things. Hope you will call me at that time.

Very truly yours,
